

SwapMeetWorks

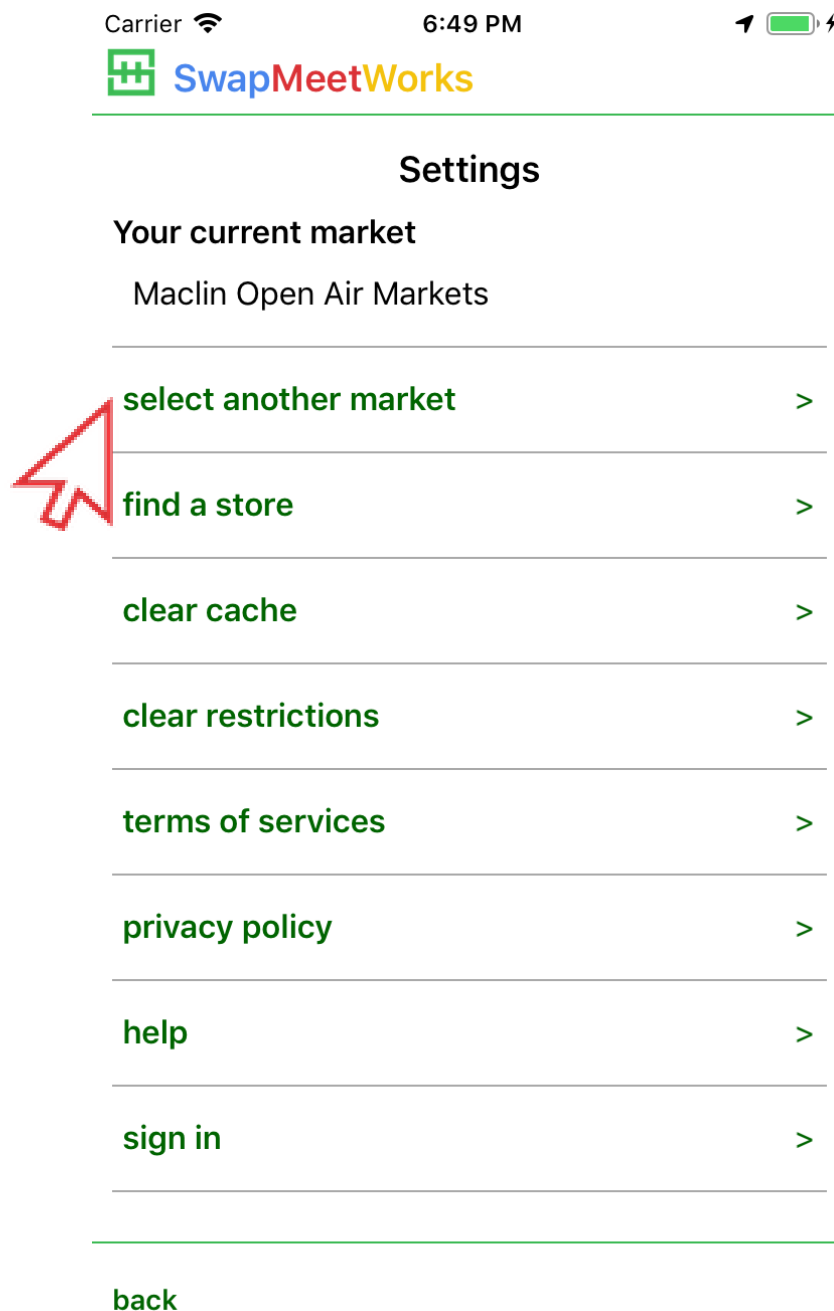

Connecting local swap meet buyers and sellers

Select a Market in SwapMeetWorks App

1. Open the **SwapMeetWorks** app from your **iPhone** or **Android** phone, then press on the **Settings** icon.

2. The **Settings** page displays the current market you are in. Press on the “**select another market**” menu item.

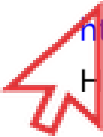

3. The **Select Market** page should display the available markets. Press the market you'd want to look for products.
